

ROPLEY FAMILY MATINEE

FLOW (U - 2024)

In a lush utopia in which human existence has been wiped out, Cat lives a self-dependent life. But one day, a great flood devastates his home. He manages to find refuge on a small boat, but so do other animals hoping to survive. Survival means adapting to their differences as they navigate the mystical waters in search of dry land.

2025 OSCAR FOR BEST ANIMATED FEATURE FILM

“Without the need for speech or complex plotting, Flow is an engrossing adventure film which also has deeper currents. It’s a triumphant piece of filmmaking”
