RYAN GRANGER

Ryan Granger is a young talented pianist/singer/songwriter whose R&B style blends heartfelt lyrics with soulful melodies and rich, melodic piano. Think of him as a young, up and coming 'Jamie Cullum'.

An Actor-Musician graduate of the Guildford School of Acting, Ryan brings a fresh take to classics from the 60s/70s/80s and into the 2000s, covering hits from Frank Sinatra through Van Morrison & Stevie Wonder to Elton John and more recent singer-songwriters. Ryan's repertoire also features some of his own original compositions.

An intimate, uplifting performance guaranteed from an outstanding, rising Hampshire musician.
