Tickets available from the shop (£10 Cash Only)
Enjoy a fun evening guessing the provenance of a
selection of wines available from The Naked Grape

We will taste 6 incredible wines. 😊

There will be 3 speakers providing the stories behind each wine,
but who is bluffing and which one is true?!!!!

You will score points for guessing the true story, the price, and
alcohol content.

Singles and couples welcome, but why not ask your friends and
family to join you to make a table of 8.

And may the best table win!
